For Immediate Release.....

It has been a hard couple of months, in December Peter Darvill passed away here on the Isle of Man. His funeral was held at Malew Parish Church which is located at 'Church Bends on the' Billown Circuit (Southern 100).

We were honoured to have the Southern 100 committee offer to bare his coffin; this began with a 'Guard of Honour' at the Start Line and a truly humbling turn out at the Church. I cannot thank them enough for their help it was really a fitting send-off.

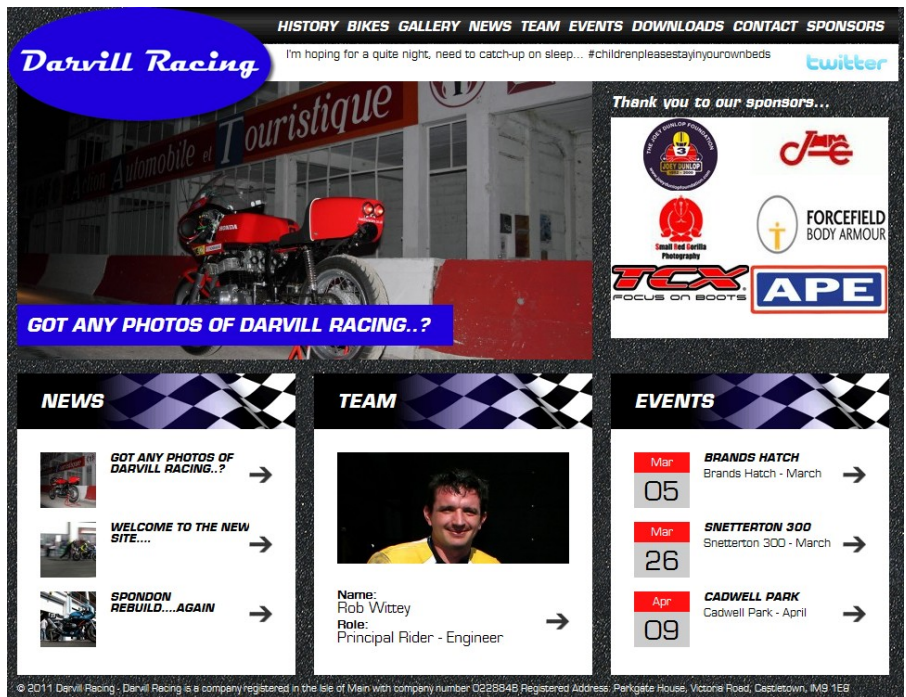

I took some time to review our plans and sought advice from the Family and with their consent and support we are going to continue to race, to this end we have registered Darvill Racing as a company here on the Isle of Man and formalised our plan for the next 3 years.

We have been busy, the new Team ware has arrived, we are building an SV650 MiniTwin for the MRO Championship and either the ThunderBike Championship or the new KRC Championship, the new Team Brochure has been printed I hope you like the new format. There will be a revised versions printed shortly once we have confirmed a few of the events we are working in, watch this space.

www.DarvillRacing.co.uk is now LIVE...!

We have constructed the site based on a CMS (Content Management System) that enables very easy and fast additions and amendments to the site, additionally we have embedded our site with blogging technology that allow us to open the site to the public and encourage two-way engagements. Not only can the public add comments to various sections of the site but with the addition of Flickr we have another avenue for people to become activate with Darvill Racing.

We are all very excited about working with Alex George this year; we have confirmed his attendance for the Festival of 1000 Bikes and are hoping to build on this throughout 2011.
