## **DARVILL RACING TEAM RECEIVES RoadHawk SUPPORT FOR 2015 SEASON**

RoadHawk (powered by dogcam) will once again support the ground-breaking Darvill Racing team this year with their high definition bullet cameras.

Darvill Racing will once again be competing at a number of high profile events from 'pure road' to 'short' circuits utilising RoadHawk cameras at each event

Team Principal Alex Aitchison said: 'We are delighted to have the opportunity to work with RoadHawk again. Their products are used by the very best individuals and teams in all motorsport genres and 'extreme' sports across the world. Using their latest cameras will help our riders gain valuable feedback and enable them to review their performance and progress throughout the season whilst also enabling us to capture our endeavours and share them with our sponsors and supporters.

We can also offer our supporters a discount for all of the RoadHawk Range when ordered online at [www.dogcamsport.co.uk/drive-records.html](http://www.dogcamsport.co.uk/drive-records.html), using the code below:
